Re: Property located at East Lane Drive SIR 21412 T.C. #165-121-18

Dear Sir:

At your request a soils investigation was conducted on the property designated above. Results of this investigation shewed the site to be classified as unsuitable under criteria as set forth in Section .1900 of the North Carolina Administrative Code, Title 10, Department of Human Resources, Chapter 10, Division of Health Services; Sanitary Engineering Section, Subchapter 10A, Sanitation.

The soil on this property is not suitable for use with any conventional system, modified or alternative, with which I am aware.

If I can be of assistance, please feel free to call.

Sincerely,

Bill D. Hardiser Jr.
