PLOT PLAN

This is to certify that a soil investigation and an site investigation was made by the Mecklenburg County Department of Environmental Health on the lot described above. The soil investigation was conducted on that portion of the lot as indicated on the above plat **PROVISIONALLY SUITABLE**
The permeability rate determined by the investigation was The said lot is approved for the installation of an individual septic tank wastewater treatment system with subsurface soil absorption effluent discharge subject to the following terms and conditions

1. A permit to install construct alter or occupy the residence for which it is obtained from the Mecklenburg County Department of Environmental Health prior to the beginning of any installation of the wastewater treatment system on the said lot
2. The size of the septic tank wastewater treatment system which must be installed will be determined by the Mecklenburg County Department of Environmental Health at the time application is made for the permit, soil data obtained above and on the size and type of building constructed there on
3. The approval is valid only if the system is placed in the area staked out by the sanitarian, the system installation in the above plat
4. The approval is void if any grading fill or construction of any kind is done on the area which in the opinion of the Mecklenburg County Department of Environmental Health has been designated as acceptable for system installation unsuitable for installation construction after the issuance of this permit

This approval is granted based on the laws of the State of North Carolina and the rules and regulations of the North Carolina Department of Human Resources, Division of Health Services and the Mecklenburg County Health Commission which were in effect on the date of issuance and is void if at any time in the future prior to completion of the system, these laws, rules and regulations are changed such that this approval would not have been granted had the new or revised laws, rules, and regulations been in effect on the issue date.
