PLOT PLAN

This is to certify that a soil investigation and onsite investigation was made by the Mecklenburg County Department of Environmental Health on the lot described above. The soil investigation was conducted on that part of the lot as indicated in the above plot. **Provisionally Suitable**

The permeability rate determined by this investigation was The said lot is approved for the installation of an individual septic tank wastewater treatment system with subsurface, soil absorption effluent discharge subject to the following terms and conditions

1. A permit must be obtained before the system may be installed from the Mecklenburg County Department of Environmental Health and the system must be constructed in accordance with the wastewater treatment system on the said lot.
2. The size of the septic tank and wastewater treatment system which must be installed will be determined by the Mecklenburg County Department of Environmental Health at the time application is made for this permit by the rate obtained above, and on the basis of the building plan submitted therein.
3. This approval is only for the system specified in the application immediately prior to system installation on the above plot.
4. This approval is void if any grading or construction including the placement of fill has been performed on the lot on which the soil and site evaluation by the Mecklenburg County Department of Environmental Health was conducted as acceptable for system unless it is understood and agreed in writing by the Health Department that the system

This approval is granted based on the laws of the State of North Carolina and the rules and regulations of the North Carolina Department of Human Resources Division of Health Services and the Mecklenburg County Health Commission which were in effect on the date of issuance and is void if at any time in the future, prior to completion of the system, these laws, rules and regulations are changed such that this approval would not have been granted had the new or revised laws, rules and regulations been in effect on the issue date.
