PLOT PLAN

The undersigned hereby certifies that a soil investigation was made by the Mecklenburg County Department of Environmental Health on the lot described above. The soil investigation was conducted on the 17th day of January, 1980 on the lot indicated on the above plat.

The investigation determined that the said lot is **Provisionally Suitable** for the installation of an individual subsurface wastewater treatment system. The said lot is approved for the installation of an individual subsurface, soil absorption wastewater treatment system with subsurface, soil absorption sewage disposal field subject to the following terms and conditions:

1. [illegible] from the Mecklenburg County Department [illegible] wastewater treatment [illegible]
2. [illegible] determined by the Mecklenburg [illegible] required above and [illegible]
3. [illegible] system installation [illegible]
4. [illegible] performed on the lot which [illegible] Mecklenburg County Department of Environmental Health within the area indicated as acceptable for [illegible] in accordance to state regulations [illegible] with system.

This approval is granted based on the laws of the State of North Carolina and the rules and regulations of the North Carolina Department of Human Resources Division of Health Services and the Mecklenburg County Health Commission which were in effect on the date of issuance and is void if at any time in the future prior to completion of the system, these laws, rules and regulations are changed such that this approval would not have been granted had the newer revised laws, rules, and regulations been in effect on the issue date.
