PLOT PLAN

This is to certify that a soil investigation was made by the Mecklenburg County Department of Environmental Health and a report dated March 29, 1984 was submitted. The investigation was conducted on that portion of the lot designated on the above plot. **PROVISIONALLY SUITABLE**

The permeability rate determined by the investigation was . The said lot is approved for the installation of an individual sewage disposal system with septic tank with water treatment as specified below and subsurface, soil absorption effluent disposal subject to the following terms and conditions:

1. A permit must be obtained from the Mecklenburg County Department of Environmental Health for the installation of the subsurface water treatment system on the said lot.
2. The size of the septic tank and the length of the subsurface disposal area shall be determined by the Mecklenburg County Department of Environmental Health at the time of application for a permit and shall be based on the size and type of the dwelling to be served.
3. The approved subsurface disposal area shall not be covered with any impervious material and shall not be built upon.
4. The approved subsurface disposal area shall be located as shown on the plot plan which is made a part of this report. Any change in the size, type or location of the system installation as shown on the plot plan must be approved by the Department before construction is started. Failure to obtain approval for any change will result in the system installed being declared unsatisfactory.

This approval is granted based on the laws of the State of North Carolina and the rules and regulations of the North Carolina Department of Human Resources, Division of Health Services and the Mecklenburg County Health Commission which were in effect on the date of issuance and is void if at any time in the future, prior to completion of the system these laws, rules and regulations are changed such that this approval would not have been granted had the new or revised laws, rules and regulations been in effect on the issue date.
