PLOT PLAN

This is to certify that a soil investigation and on site investigation was made by the Mecklenburg County Department of Environmental Health on the lot described above. The said investigation was conducted on that portion of the lot as indicated on the above plot. PROVISIONALLY SUITABLE
The permeability rate determined by the investigation was _____. The said lot is approved for the installation of an individual septic tank wastewater treatment system with subsurface, soil absorption effluent discharge subject to the following terms and conditions:

1. A permit to install, construct, alter or repair the on site system shall be obtained from the Mecklenburg County Department of Environmental Health prior to the construction of buildings using the wastewater treatment system on the said lot.
2. The size of the septic tank, wastewater treatment system which may be installed will be determined by the Mecklenburg County Department of Environmental Health at the time of application for a permit based on the permeability rate obtained above, and on the size and type of building constructed thereon.
3. This approval is valid only for the immediate area indicated as acceptable for system installation on the accompanying plot plan.
4. The _____ reserves the right to inspect the _____ before, during and after construction on the lot and in the opinion of the Mecklenburg County Health Department, if the system is not located in acceptable area for system installation, construction, alteration, or repair of such a system.

This approval is granted based on the laws of the State of North Carolina and the rules and regulations of the North Carolina Department of Human Resources, Division of Health Services and the Mecklenburg County Health Commission which were in effect on the date of issuance and is void if at any time in the future, prior to completion of the system, these laws, rules and regulations are changed such that this approval would not have been granted had the new or revised laws, rules and regulations been in effect on the issue date.
