PLOT PLAN

This is to certify that a soil investigation and on site investigation was made by the Mecklenburg County Department of Environmental Health on the lot described above. The said investigation was conducted on that portion of the lot as indicated on the above plot. The said lot is approved PROVISIONALLY SUITABLE for the installation of an individual septic tank wastewater treatment system with subsurface, soil absorption effluent discharge subject to the following terms and conditions:

1. A permit to install, construct, alter or repair the system shall be obtained from the Mecklenburg County Department of Environmental Health prior to the beginning of any construction activity on the wastewater treatment system on the said lot.
2. The size of the septic tank and wastewater treatment system which must be installed shall be determined by the Mecklenburg County Department of Environmental Health prior to the issuance of the permit according to the soil percolation rate obtained above, and on the size and type of building constructed there on.
3. This approval is valid only for the system as installed on the specific site on the lot as acceptable for system installation on the above plot.
4. This approval is void if any alteration of the soil profile occurs during the construction of the system. Any soil profile encountered on the lot which in the opinion of the Mecklenburg County Department of Environmental Health is unsuitable for system installation shall be indicated as acceptable for system installation.

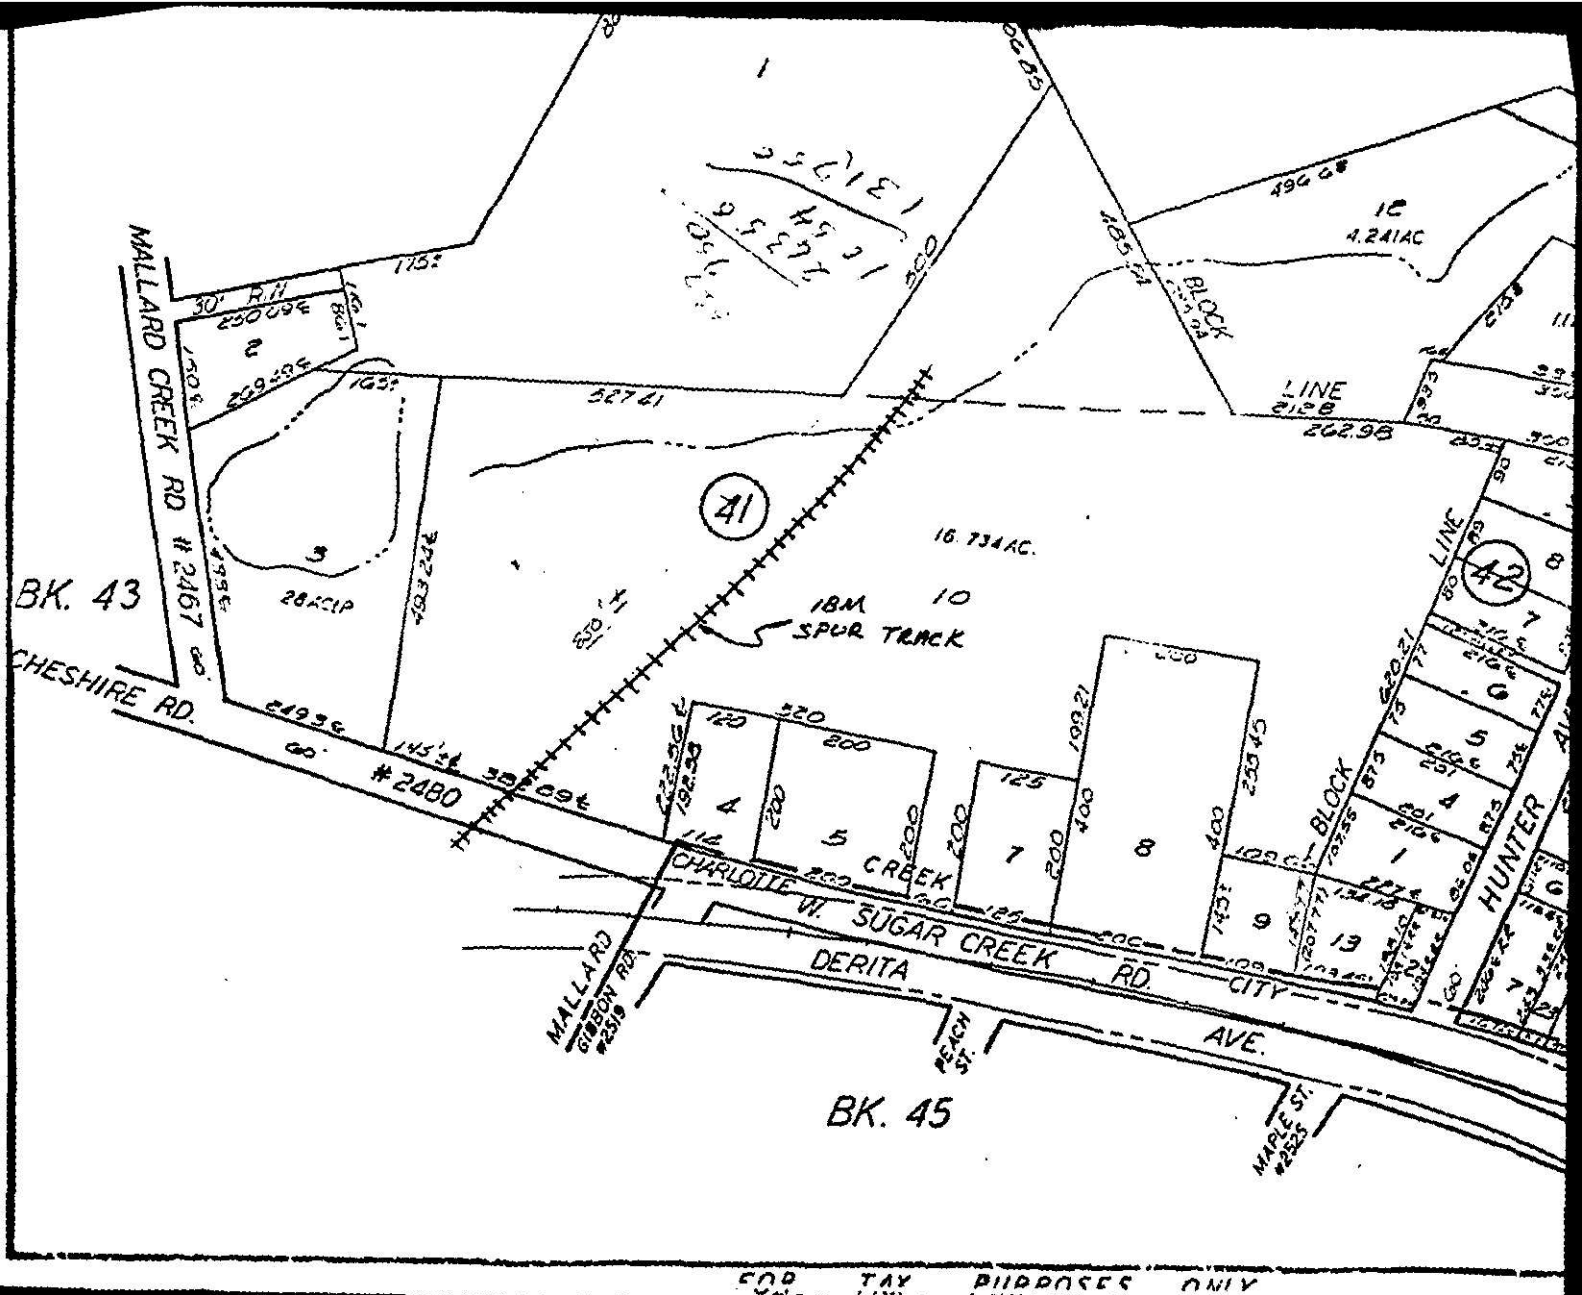

This approval is granted based on the laws of the State of North Carolina and the rules and regulations of the North Carolina Department of Human Resources, Division of Health Services and the Mecklenburg County Health Commission which were in effect on the date of issuance and is void if at any time in the future, prior to completion of the system, these laws, rules and regulations are changed such that this approval would not have been granted had the newer revised laws, rules, and regulations been in effect on the issue date.
