PLOT PLAN

This [illegible] soil investigation and [illegible] site [illegible] Mecklenburg County Department of Environmental Health on the lot described above. The [illegible] was conducted on that part of the lot as indicated on the above plat.

The permeability rate determined by the investigation was **provisionally suitable**. The said lot is approved for the installation of an individual septic tank wastewater treatment system with subsurface, soil absorption effluent discharge subject to the following terms and conditions:

1. [illegible] Mecklenburg County Department [illegible] wastewater treatment system [illegible]
2. [illegible] the Mecklenburg [illegible] above, and on [illegible]
3. [illegible] system installation [illegible]
4. [illegible] the lot which, [illegible] acceptable for [illegible]

This approval is granted based on the laws of the State of North Carolina governing [illegible] regulations of the North Carolina Department of Human Resources, Division of Health Services governing the Mecklenburg County Health Commission which were in effect at the time [illegible]. That at any time in the future prior to completion of the system, these laws, rules and regulations are changed such that this approval would not have been granted had the new or revised laws, rules and regulations been in effect on the issue date.
