PLOT PLAN

This [illegible] investigation and site evaluation was made by the Mecklenburg County Department of Environmental Health in order to determine the soil conditions on the lot described above. This soil investigation was conducted on the lot and noted on the plot plan.

The soil on said lot is approved **PROVISIONALLY SUITABLE** for the installation and use of a septic tank sewage treatment system with subsurface, soil absorption effluent discharge subject to the following terms and conditions:

1. [illegible] the Mecklenburg County Department of Environmental Health [illegible] the sewage treatment [illegible]
2. The [illegible] determined by the Mecklenburg County Department of Environmental Health [illegible] maintained above and in the soil [illegible]
3. [illegible]
4. The [illegible] system installation [illegible] the [illegible] which [illegible] indicated as acceptable for [illegible] system.

This approval is granted based on the laws of the State of North Carolina and the rules and regulations of the North Carolina Department of Human Resources, Division of Health Services and the Mecklenburg County Health Commission which were in effect at the time of issuance and is void if at any time in the future, prior to completion of the system, these laws, rules and regulations are changed such that this approval would not have been granted had the new or revised laws, rules and regulations been in effect on the issue date.

To: Mr. Wood

From: Harold A. Thomas

I may win my appeal on Lot 5. Some of the lots are unbuildable, that is why we have decided to break the five (5) acres into two (2) building sites.

I will have the corners marked.

Thank you.
