PLOT PLAN

This is to certify that a soil investigation and on-site investigation was made by the Mecklenburg County Department of Environmental Health on the lot described above. The said investigation was conducted on that portion of the lot as indicated on the above plot.

The permeability rate determined by the investigation was **Provisionally Suitable** The said lot is approved for the installation of an individual septic tank wastewater treatment system with subsurface, soil absorption effluent discharge subject to the following terms and conditions

1. [illegible] that plans for the specific system shall be obtained from the Mecklenburg County Department of Environmental Health prior to the beginning of any construction of buildings to be served by the wastewater treatment system on the said lot.
2. [illegible] the septic tank and wastewater treatment system which must be installed will be determined by the Mecklenburg County Department of Environmental Health at the time of application for the permit based on the permeability rate obtained above and on the number of bedrooms in the building or facility to be served.
3. [illegible] that the system as installed in the immediate area indicated is acceptable for system installation on the lot as platted.
4. The approval [illegible] any grading, filling or construction, including the cutting of wells, performed on the lot which in the opinion of the Mecklenburg County Department of Environmental Health renders the area indicated as acceptable for system installation unsuitable for the intended purpose at the time of construction, interest in and responsibility for the system.

This approval is granted based on the laws of the State of North Carolina and the rules and regulations of the North Carolina Department of Human Resources, Division of Health Services and the Mecklenburg County Health Commission which were in effect on the date of issuance and is void if at any time in the future, prior to completion of the system, these laws, rules and regulations are changed such that this approval would not have been granted had the new or revised laws, rules and regulations been in effect on the issue date.
