PLOT PLAN

This is to certify that the soil investigation and site evaluation as made by the Mecklenburg County, Department of Environmental Health [illegible] Department on [illegible]. The soil investigation was conducted on that portion of the lot as indicated on the above plan. **PROVISIONALLY SUITABLE**

The permeability rate determined by the investigation was [illegible]. The said lot is approved for the installation of an individual septic tank sewage disposal system with subsurface, soil absorption effluent discharge subject to the following terms and conditions:

1. A permit must be obtained from the Mecklenburg County Department of Environmental Health [illegible] before the installation of the sewage disposal system on the said lot.
2. The [illegible] shall be submitted to the Mecklenburg County Department of Environmental Health [illegible] and on the said lot [illegible].
3. This approval [illegible] on the above plan.
4. The [illegible] in the Mecklenburg County Department of Environmental Health [illegible] system [illegible].

This approval is granted based on the laws in the State of North Carolina and the rules and regulations of the North Carolina Department of Human Resources Division of Health Services and the Mecklenburg County Health Commission which were in effect at the time of issuance and is void if at any time in the future, prior to completion of the system, these laws rules and regulations are changed such that this approval would not have been granted had the new or revised laws, rules and regulations been in effect on the issue date.

MAP BOOK NO. _____ PAGE NO _____

The above specified lot is approved by the Mecklenburg County Department of Environmental Health for the installation of an individual septic tank system with subsurface, soil absorption, effluent discharge based on the soil investigation, on an on-site inspection of the said lot, and upon the information supplied in the "Application for an Installation, Construction, Alteration, and/or Repair Permit", number 21243 This approval is subject to the following terms and conditions

1. That the nitrification field be installed, constructed, altered and/or repaired in the same area where the soil investigation was run.
2. That an "Installation, Construction, Alteration, and/or Repair Permit" be issued and in full force and effect when the system is installed, constructed, altered, and/or repaired and that the system be installed in accordance with same

This approval may be revoked and the building inspection department requested to revoke any building permit(s) which have been issued to authorize construction on the said lot if at any time it is determined that any information contained in the "Application for an Installation, Construction, Alteration, and/or Repair Permit" is not correct or is untrue or that the septic tank system is not being installed, constructed, altered and/or repaired in accordance with a valid Installation, Construction, Alteration, and/or Repair Permit.
