SUBDIVISION - (STREET OR COUNTY ROAD) LOT NO BLOCK NO

This soil test for [illegible] and waste water [illegible] by the Mecklenburg County Department of Environmental Health on the date indicated on the above plot plan. Classification was conducted

The permeability rate determined on this test lot was **Provisionally Suitable**

for the installation of a [illegible] septic tank wastewater treatment system with subsurface soil absorption effluent discharge subject to the following terms and conditions. The said lot is approved

1. [illegible] Mecklenburg County Department of Environmental Health [illegible] wastewater treatment system

2. The [illegible] determined by the Mecklenburg County Department of Environmental Health [illegible] rate is noted above and on the [illegible]

3. [illegible] system installation

4. [illegible] at which time [illegible] stated as acceptable for the system.

This approval is granted based on the laws of the State of North Carolina and the rules and regulations of the North Carolina Department of Human Resources, Division of Health Services and the Mecklenburg County Health Commission which were in effect on the date of issuance and is void if at any time in the future, prior to completion of the system, these laws, rules and regulations are changed such that this approval would not have been granted had the new or revised laws, rules, and regulations been in effect on the issue date.
