RE: Latta Place, Inc., Outdoor Public Restroom Repair

On May 14, 1991, Latta Place, Inc. experienced a septic tank system failure. The apparent cause of the failure was a undersized drainfield coupled with the partial collapse of the existing block built septic tank. Instead of repairing the existing system the bathrooms will be hooked to another system which served a rangers trailer. (See Certificate of Completion, dated July 14, 1983 on File No. 6126, card number 2 of 3).
