PLOT PLAN

This is to certify that a soil investigation and on-site investigation was made by the Mecklenburg County Department of Environmental Health on the lot described above. The said investigation was conducted on that portion of the lot as indicated on the above plot. **Provisionally Suitable**

The permeability rate determined by the investigation was The said lot is approved for the installation of a ground, dual septic tank, wastewater treatment system with subsurface, soil absorption effluent discharge subject to the following terms and conditions:

1. A permit must be obtained from the Mecklenburg County Department of Environmental Health prior to the beginning of any construction work on the wastewater treatment system on the said lot.
2. The size of the septic tank and/or treatment system shall be as determined by the Mecklenburg County Department of Environmental Health at the time of the application for permit, the rate obtained above, and in the size and type of building proposed thereon.
3. This approval is valid only for the system as indicated in the investigation and is applicable for system installation on the above plot.
4. This approval is granted only for the type of system as indicated and is void if any changes in the system are made without the approval of the Mecklenburg County Department of Environmental Health. The site indicated as acceptable for system installation shall be protected from construction traffic and other activities that may affect the system.

This approval is granted based on the laws of the State of North Carolina and the rules and regulations of the North Carolina Department of Human Resources, Division of Health Services and the Mecklenburg County Health Commission which were in effect on the date of issuance and is void if at any time in the future, prior to completion of the system, these laws, rules and regulations are changed such that this approval would not have been granted had the new or revised laws, rules, and regulations been in effect on the issue date.
