The system shall meet all of the construction requirements as set forth in the Regulations of the Mecklenburg County Health Commission which are in effect on the date of the granting of this permit. A certificate of approval must be issued by the Environmental Health Director before the system can be covered up or otherwise rendered uninspectable or can be used. The issuance of this permit shall not in any way guarantee that the system anticipated to be constructed will operate properly or be free from odor, seepage, surface drainage control or using such system from creating all nuisances resulting from the failure of the system to operate properly.
