The system must be installed in accordance with the Regulations of the Mecklenburg County Health Department governing individual sewage disposal systems. Approval of this application is granted only for the proposed use. Any change in the proposed use of the system can be cause for withdrawal or otherwise rendered unsatisfactory. This permit is issued in reliance upon the correctness of the information furnished and does not guarantee that the system will be satisfactory. The Health Department reserves the right to revoke this permit if, in the opinion of the Health Department, the system is not functioning properly, creating a health hazard, or failing to comply with the Regulations governing individual sewage disposal systems.
