This certifies that the Individual Septic Tank System described herein has been installed in accordance with the provisions of Mecklenburg County Environmental Protection Code, Chapter 18, Article II, Sections 18-31 through 18-39, and Environmental Health Division Regulations governing subsurface sewage disposal systems. This Certificate of Approval is valid for the property described herein and is not transferable to any additional property. Any additions or alterations to the system must be approved by the Environmental Health Division before being installed. Additions or alterations to the property which would increase the requirement for sewage disposal may require a new system.
