PLOT PLAN

This is to certify that a soil investigation was made by the Mecklenburg County Department of Environmental Health on the lot described above. The soil investigation was conducted on that portion of the lot as indicated on the above plot.

Provisionally Suitable

The permeability rate determined by this investigation was The said lot is approved for the installation of a conventional septic tank wastewater treatment system with subsurface soil absorption disposal subject to the following terms and conditions:

1. [illegible] Mecklenburg County Department [illegible] the wastewater treatment [illegible]
2. [illegible] be determined by the Mecklenburg [illegible] stated above and [illegible]
3. [illegible] system installation [illegible]
4. The approval [illegible] performed on the lot which [illegible] Mecklenburg County Department of Environmental Health [illegible] indicated as acceptable for [illegible] system.

This approval is granted based on the laws of the State of North Carolina and the rules and regulations of the North Carolina Department of Human Resources, Division of Health Services and the Mecklenburg County Health Commission which were in effect on the date of issuance and is void if at any time in the future, prior to completion of the system, these laws, rules and regulations are changed such that this approval would not have been granted had the new or revised laws, rules, and regulations been in effect on the issue date.
