PLOT PLAN

This is to certify that a soil investigation of the site described above was made by the Mecklenburg County Department of Environmental Health on 7-28-78. The said investigation was conducted on the basis of the following information furnished by

PROVISIONALLY SUITABLE

The said lot is approved for the installation of an individual septic tank wastewater treatment system with subsurface soil absorption effluent disposal subject to the following terms and conditions:

1. [illegible] the Mecklenburg County Department [illegible] wastewater treatment system [illegible]
2. [illegible] system and by the Mecklenburg [illegible] stated above, and on [illegible] system installation [illegible]
3. [illegible] the lot which [illegible] acceptable for [illegible]

This approval is granted based on the [illegible] and regulations of the [illegible] and the Mecklenburg County Health Department and if at any time in the future the applicant or subsequent owner of the property desires to make changes in the plans or specifications of the sewage disposal system, or if these rules and regulations are changed such that this approval would not have been granted under the new or revised rules and regulations then in effect on the issue date.
