PLOT PLAN

This is to certify that a soil investigation of the property described above was made by the Mecklenburg County Department of Environmental Health on [illegible]. This soil investigation was conducted on that portion of the lot designated on the plot plan. **Provisionally Suitable**

The permeability rate determined by the soil investigation was [illegible]. The said lot is approved for the installation of an individual septic tank wastewater treatment system with subsurface, soil absorption effluent discharge subject to the following terms and conditions:

1. Approval is granted for the [illegible] as submitted to the Mecklenburg County Department of Environmental Health. Any change in the wastewater treatment system or the soil [illegible]
2. The use of the [illegible] as determined by the Mecklenburg County Department of Environmental Health. [illegible] effective, and on the condition that [illegible]
3. The [illegible] system installation of the absorption [illegible]
4. The [illegible] and meet on the lot which, in the opinion of the Mecklenburg County Department of Environmental Health, is [illegible] as acceptable for [illegible]

The approval granted herein is in accordance with the Laws of North Carolina and the rules and regulations of the North Carolina Department of Human Resources, Division of Health Services, and the Mecklenburg County Health Department. It may be withdrawn at any time by the State Board of Health if it is found at any time in the future that the information furnished was false, or if regulations are changed such that this approval would not have been granted had the most recently revised laws, rules, and regulations been in effect on the issue date.
