SERIAL Nº 16951

Permission is hereby given to _____ Install or Construct, ___✓___ Alter or Repair the individual septic tank wastewater treatment system with subsurface, soil absorption, effluent discharge as specified herein at the described location. This permit is granted based upon the information supplied in the application dated 9/10/96. All work shall be completed on or before 10/11/96, after which date this permit shall be null and void. The system shall meet all of the construction requirements of I5A NCAC 18A. 1900 which are in effect on the date of the granting of this permit. A Certificate of Completion or an Operation Permit must be obtained from the Mecklenburg County Health Department before any system can be covered up or placed into service. The issuance of this permit does not in any way guarantee that the system anticipated to be constructed will operate properly, or relieve any person now or hereafter owning, controlling or using such system from any liability resulting from the failure of the ~~system to operate properly~~.

Dear Sir/Madam:

A request for repair to your septic system has come to our attention.

In addition to the enclosed application form, there is information that we will need in order to assist us in determining the best means of repair to your system.

Please supply the following information, if possible, along with your completed, signed, and dated application:

1) Tax number (account number from tax bill). 141-071-03

2) Provide the name of the original property owner. Built by - Burl Wilkinson (1956) (1970) owned by Chris & Bruce Wilkinson until 1982 when we acquired.

3) Do you have visible sewage on the surface of the ground? yes - black sludge

4) Is septic water backing up into the house -- gurgling pipes and/or slow draining toilets, etc? NO we have to regularly drain septic tank w/ sewer Company. (yes it backs up)

5) Is there a separate wastewater line from your washing machine? Dishwasher?
yes.

6) Has your septic tank ever been pumped out? If so, approximately when?
yes - atleast yearly in last 4-5 years

7) Has there been any other type of maintenance or repair done to your system? If so, what was done, and approximately when?
Had to replace terra cotta pipes coming out of house to SEPTIC TANK several years ago. Pumped it last

8) Approximately what year was your septic system installed? 1956

9) Have you had any other plumbing leaks (dripping faucets/leaking toilets, etc)?
leaking Bathroom faucet has been replaced last week.

Upon receipt of your repair application, an Environmental Health Specialist will contact you to discuss your septic problem. If it is determined that a repair to the system is needed, you will need to contact a registered septic contractor -- if you do not know of one, check the yellow pages of your telephone directory. The contractor will, in return, contact our office to set up an appointment with an Environmental Health Specialist to meet with you on the site to assess the problem and make arrangements to repair the septic system if necessary. Have one pumped out already waiting on you.

By complying with our requests and supplying the needed information in its entirety, you will be helping us to serve you as quickly as possible. Please mail or fax information to MCHD. Fax # 336-6894.

Should you have questions concerning the requested information, please feel free to call us at 336-5102.
