PLOT PLAN

This is to certify that a site visit, plot plan and on-site investigation was made by the Mecklenburg County Department of Environmental Health on the lot described above. The said investigation was conducted on that portion of the lot indicated on the above plot. Provisionally

The permeability rate determined by the investigation was Suitable. The said lot is approved for the installation of one individual septic tank wastewater treatment system with subsurface, soil absorption effluent discharge subject to the following terms and conditions:

1. A permit must be obtained before the plumbing system can be installed. This permit may be obtained from the Mecklenburg County Department of Environmental Health prior to the construction of the wastewater treatment system on the lot.
2. The minimum size septic tank which must be installed will be determined by the Mecklenburg County Department of Environmental Health prior to the issuance of the permit. The rate obtained above and the size and type of the system installed therein.
3. This approval is for the system as indicated on the plot plan. Only the area indicated is acceptable for system installation on the above lot.
4. This approval is based on the soil conditions encountered during the investigation performed on the lot on which the system is to be installed. The Department of Environmental Health may require that an alternate system be installed at the discretion of the Department if the system as indicated on the plot plan is not acceptable for system installation.

This approval is granted based on the laws of the State of North Carolina and the rules and regulations of the North Carolina Department of Human Resources, Division of Health Services and the Mecklenburg County Health Commission which were in effect on the date of issuance and is void if at any time in the future, prior to completion of the system, these laws, rules and regulations are changed such that this approval would not have been granted had the new or revised laws, rules and regulations been in effect on the issue date.

APPROVAL OF LOT FOR INSTALLATION OF AN INDIVIDUAL SEPTIC TANK WITH SUBSURFACE, SOIL ABSORPTION, EFFLUENT DISCHARGE

NAME OF OWNER Rodgers, (LAST) John (FIRST) C. (MIDDLE)

ADDRESS OF OWNER 400 Stilwell Oaks Road ZIP

LOCATION OF LOT 20001 Schooner Drive (STREET OR COUNTY ROAD)

SUBDIVISION Rockridge Shores LOT NO 12 BLOCK NO.

MAP BOOK NO. PAGE NO

The above specified lot is approved by the Mecklenburg County Department of Environmental Health for the installation of an individual septic tank system with subsurface, soil absorption, effluent discharge based on the soil investigation, on an on-site inspection of the said lot; and upon the information supplied in the "Application for an Installation, Construction, Alteration, and/or Repair Permit", number 13733. This approval is subject to the following terms and conditions:

1. That the nitrification field be installed, constructed, altered and/or repaired in the same area where the soil investigation was run.
2. That an "Installation, Construction, Alteration, and/or Repair Permit" be issued and in full force and effect when the system is installed, constructed, altred, and/or repaired and that the system be installed in accordance with same.

This approval may be revoked and the building inspection department requested to revoke any building permit(s) which have been issued to authorize construction on the said lot if at any time it is determined that any information contained in the "Application for an Installation, Construction, Alteration, and/or Repair Permit" is not correct or is untrue or that the septic tank system is not being installed, constructed, altered and/or repaired in accordance with a valid Installation, Construction, Alteration, and/or Repair Permit.
