PLOT PLAN

This is to certify that a soil investigation and site investigation was made by the Mecklenburg County Department of Environmental Health on the lot described above. The soil investigation was conducted on that portion of the lot as indicated on the above plot. **PROVISIONALLY SUITABLE**

The permeability rate determined by the investigation was The said lot is approved for the installation of an individual septic tank with subsurface, soil absorption effluent discharge subject to the following terms and conditions:

1. A permit must be obtained before construction of the system. Application must be made to the Mecklenburg County Department of Environmental Health on the proper form. This soil investigation report must accompany the application for the system.
2. The system must be constructed in accordance with the rules and regulations governing the Mecklenburg County Department of Environmental Health and the North Carolina Department of Human Resources. Division of Health Services. Any deviation from the approved plot plan must be approved by the Mecklenburg County Department of Environmental Health before the system is constructed.
3. This approval is valid only for the system described in this report. Any change in the system must be approved by the Mecklenburg County Department of Environmental Health before the system is constructed.
4. The system must be installed by a licensed septic tank contractor. The system must be inspected by the Mecklenburg County Department of Environmental Health before backfilling. It is the responsibility of the owner to notify the Mecklenburg County Department of Environmental Health when the system is ready for inspection. The system must not be used until approved by the Mecklenburg County Department of Environmental Health.

This approval is granted based on the laws of the State of North Carolina and the rules and regulations of the North Carolina Department of Human Resources, Division of Health Services and the Mecklenburg County Health Commission which were in effect on the date of issuance and is void if at any time in the future, prior to completion of the system, these laws, rules and regulations are changed such that this approval would not have been granted had the new or revised laws, rules, and regulations been in effect on the issue date.

TO THE BUILDING INSPECTION DEPARTMENT (IMPROVEMENT PERMIT)

APPROVAL OF LOT FOR INSTALLATION OF AN INDIVIDUAL SEPTIC TANK WITH SUBSURFACE, SOIL ABSORPTION, EFFLUENT DISCHARGE

NAME OF OWNER Hoss, (LAST) John (FIRST) Parks (MIDDLE)

ADDRESS OF OWNER Rt. 3, Box 890, Huntersville, NC ZIP 28078

LOCATION OF LOT 10409 Beatties Ford Road (STREET OR COUNTY ROAD)

SUBDIVISION _____ LOT NO. _____ BLOCK NO. _____

MAP BOOK NO _____ PAGE NO. _____

The above specified lot is approved by the Mecklenburg County Department of Environmental Health for the installation of an individual septic tank system with subsurface, soil absorption, effluent discharge based on the soil investigation, on an on-site inspection of the said lot; and upon the information supplied in the "Application for an Installation, Construction, Alteration, and/or Repair Permit", number 20735. This approval is subject to the following terms and conditions:

1. That the nitrification field be installed, constructed, altered and/or repaired in the same area where the soil investigation was run.
2. That an "Installation, Construction, Alteration, and/or Repair Permit" be issued and in full force and effect when the system is installed, constructed, altered, and/or repaired and that the system be installed in accordance with same.

This approval may be revoked and the building inspection department requested to revoke any building permit(s) which have been issued to authorize construction on the said lot if at any time it is determined that any information contained in the "Application for an Installation, Construction, Alteration, and/or Repair Permit" is not correct or is untrue or that the septic-tank system is not being installed, constructed, altered and/or repaired in accordance with a valid Installation, Construction, Alteration, and/or Repair Permit.
