PLOT PLAN

This [illegible] investigation and on-site investigation was made by the Mecklenburg County Department of Environmental Health on the lot described above. The said investigation was conducted on that portion of the lot encompassed on the above plot **Provisionally Suitable**

The permeability rate determined by the investigation was [illegible] The said lot is approved for the installation of an individual septic tank wastewater treatment system with subsurface, soil absorption effluent discharge subject to the following terms and conditions

1. A permit shall be obtained from the Mecklenburg County Department of Environmental Health prior to the construction of the wastewater treatment system on the said lot.
2. The exact location and type of system which is to be installed shall be determined by the Mecklenburg County Department of Environmental Health prior to the issuance of the permit, the criteria contained above, and on the attached plot plan.
3. [illegible] shall be the only acceptable system installation on the said lot.
4. [illegible] shall be used on the lot which, in the opinion of the Mecklenburg County Department of Environmental Health, does not meet the criteria contained above as acceptable for [illegible] system.

The approval granted herein is subject to the laws of the State of North Carolina and the rules and regulations of the North Carolina Department of Human Resources, Division of Health Services, and the Mecklenburg County Health Commission which were in effect on the date of issuance and is void if at any time in the future, prior to completion of the system, these laws, rules and regulations are changed such that this approval would not have been granted had the new or revised laws, rules, and regulations been in effect on the issue date
