The undersigned, CORKY JOHNSON HOMES INC, owner of property located at 11425 LEMAND ACRES DR., (the "site") and described in an instrument recorded in Book 10084 at Page 47, Mecklenburg Public Registry, hereby acknowledges that the undersigned applied to the Mecklenburg County Health Department (the "Department") for a permit to install a septic tank sewage disposal system on the site, that the Department evaluated the site for suitability for such a system in accordance with the regulations promulgated by the North Carolina Commission for Health Services as 15A NCAC 18A .1900 et seq , that the Department originally classified the site as "unsuitable" pursuant to the standards set forth in the regulations, that the undersigned requested that the Department reclassify the site as "provisionally suitable" in light of the particular septic tank system proposed by the undersigned, that the Department considered various studies, data, and other information which indicate to the Department that the septic tank system proposed by the undersigned is allowed by the rules, and that the Department therefore reclassified the site as "provisionally suitable" and issued an appropriate permit for such proposed septic tank system

The undersigned further acknowledges that the proper design, construction operation and maintenance of such septic tank system is the responsibility of the designer, owner, developer, installer, or user of the system, as applicable, and that neither the Department nor its officials, employees, or agents warrant or guarantee that the said system installed pursuant to the permit issued by the Department will function in a satisfactory manner for any given period of time or that the Department, its officials, employees or agents assume any liability for any damages of any kind which are caused, or which may be caused, by a malfunction of such system

The undersigned further acknowledges that the following conditions will apply to the site

- Any changes on the property may make the Improvement Permit Null and void and may make the Improvement Permit subject to revocation

This instrument was prepared by CORKY JOHNSON
Mail after recording to 101 WINDSOR GREENE DR.
MONROE NC 28110

- Do not grade, cut, fill, pave, construct a building or deck, dig a well, install a swimming pool or otherwise cover or disturb the soil (except for planting and maintaining grass or other ground covers) in a manner which will adversely affect the repair area or area where the septic tank system is located

- When a private certified operator is required, no improvement permit for the designated repair shall be issued unless there is a private certified operator to carry out this management program in the service area where the proposed system is to be located (Refer to Rule 1961, "Maintenance of Sewage Systems," for further information)

- Additional fees will be required according to the Mecklenburg County user fee schedule applicable at the time for the issuance of a repair permit for any subsequent repairs to the sewage treatment and disposal system or for installation of a replacement system

- At the time repairs to the sewage treatment and disposal system are to be made or a replacement system installed, the regulations in effect at that time will govern the repairs or installation of a replacement system

The undersigned further agrees for himself, his heirs and assigns that he shall indemnify and hold harmless the Department, its employees, and officials, as well as Mecklenburg County and its employees and officials, for any damages or other claims of any person or persons whatsoever arising out of the installation, operation or failure of said septic tank system

Use of the singular masculine pronoun forms herein shall be deemed to also include the plural and feminine forms as the context may require

This document shall be placed on the public records of the Register of Deeds of Mecklenburg County and indexed therein under the Grantor Index in the name or names of the undersigned, and the foregoing acknowledgements shall henceforth be binding on all persons claiming any right, title, or interest in the site

IN WITNESS WHEREOF, the undersigned has hereunto set his hand and seal, or if corporate, has caused this instrument to be signed in its corporate name by its duly authorized officers and its seal to be hereunto affixed by authority of its Board of Directors, this 11TH day of DEC., 1998

CONTRACT FOR THE SALE OF REAL ESTATE

STATE OF NORTH CAROLINA

COUNTY OF MECKLENBURG

This Contract For The Sale of Real Estate, made and entered into this 30th day of April, 1998 by and between PRO Realty and Development, Inc., a North Carolina corporation (hereinafter called "Seller"), and Corky Johnson Homes, Inc. (hereinafter called "Buyer").

Statement of Purpose

Whereas, Seller desires to sell and Buyer desires to purchase from Seller, upon terms and conditions hereinafter set forth, that certain parcel of real estate located in Mecklenburg County, North Carolina, and more particularly described as LOT #30 (hereinafter referred to as the "Lot") as shown on the map of Lemmond Acres attached hereto as Exhibit "A" and made a part hereof, together with all appurtenances thereunto belonging or appertaining, and all right, title, and interest which Seller may now have or may have in the future in all creeks, streams, rights-of-way, roads, streets and ways bounding said Lot.

Whereas, Seller is improving and agrees to complete development of the Lots into a condition suitable for the construction thereon by Buyer of a single-family home in conformity with the terms of this contract.

NOW, THEREFORE, in consideration of the premises, the mutual promises hereinafter set forth, and the Earnest Money of $500.00 delivered herewith, to be held in an Escrow Account by PRO Realty & Development, the parties agree as follows:

1. Development Requirements and Standards. Seller represents and warrants that it will develop the Lot to the standards of the Mecklenburg County Engineering Department and the Department of Transportation. The standards include, but are not limited to, the following:

a) Lot Minimum. All Lots have a minimum of 30,000 square feet and will be located, sized, and configured substantially as shown on Exhibit "A".

b) Water and Septic. All Lots are served by underground water service from a community well system with said service installed at a location on each Lot as determined

by Carolina Water Service. Individual septic systems on each Lot are to constructed and paid for by the Buyer. Buyer acknowledges that a sanitary septic system is required for construction of a single-family dwelling on the Lot. Buyer also acknowledges that this contract is expressly conditioned upon the Mecklenburg County Environmental Health Department's evaluation of the soil for percolation and determination that the soil is suitable for a sanitary septic system for a single family residence. Buyer is responsible for administration and payment of this evaluation. Seller agrees to reimburse Buyer the first one hundred dollars ($100.00) for the Mecklenburg County's evaluation process at deed transfer. Upon the Mecklenburg County Environmental Health Department's evaluation of the soil for percolation, if a non-conventional septic system is required for said lot, Seller agrees to reduce price of said lot one-thousand dollars ($1,000).

c) Utilities. All Lots are served by underground electrical service with said service installed at a location on each Lot as determined by DukeEnergy. All Lots are served by underground natural gas service with said service installed at a location on each Lot as determined by Piedmont Natural Gas. All Lots are served by underground phone service with said service installed at a location on each Lot as determined by Bell South.

d) Damage. All streets, roads, curbing, sidewalks and improvements shall be installed by Seller within the rights of way of streets and roads and will be maintained by Seller until the responsibility for the maintenance thereof is assumed by the appropriate governmental unit of agency; provided, however, that Buyer shall be responsible for repairing any damage caused by it or its agents or subcontractors to such streets, roads, curbing, sidewalks and other improvements.

e) Recordation. Seller agrees that as of the date of closing, the Lots will be shown on a recorded map, as well as all other streets and roads connecting the Lots to a public way, free of the liens of all deeds of trust and other encumbrances;

f) Flood Area. Seller agrees that the Lots shall not be subject to building flood line restrictions which will render a Lot unbuildable except at expense greater than would have been incurred by Buyer had the lot not been located within a flood area.

g) Usability. Seller agrees that the Lots in all other respects shall be physically and legally usable as Lots upon which a single-family residence can be constructed and used for residential purposes.

h) Soil Condition. Seller warrants that to the best of its knowledge the soil will be satisfactory for the Buyer to construct a single-family residence on the Lot and that no footing shall have to exceed five (5) feet in depth. In the event any footing shall have to exceed five (5) feet in depth, Buyer shall notify Seller prior to commencing work and Seller shall, at its option, either: 1) pay the cost attributable to such footings having to exceed five (5) feet in depth, or 2) repurchase the Lot at the price Buyer paid for same.

i) Hazardous Materials. Seller warrants that to the best of Seller's knowledge, the Lots are free of all chemical substances, asbestos, oil, ureaformaldehyde, PCB's, and all other toxic, radioactive or hazardous wastes, materials, substances, or contaminants (collectively "Hazardous Materials") and that to the best of Seller's knowledge no

Hazardous Materials have ever been stored, disposed, or located upon the Lots. In the event any Hazardous Materials are found on any of the Lots prior to their scheduled closing, Buyer shall have no obligation to close said Lot.

2. Purchase Price. The Purchase Price to be paid by Buyer to Seller for the Lot shall be $32,250.00 to be paid in cash at closing as hereinafter defined.

3. Closing Date. Closing shall take place on or before the 15th day of June, 1998 at a place designated by Seller.

4. Condition of Title.
