SOIL INVESTIGATION REPORT

NAME OF OWNER Vinson, Jr. (LAST) George (FIRST) F. (MIDDLE)

ADDRESS OF OWNER Rt. 2, Box 200, Davidson, NC ZIP 28036

LOCATION OF PROPERTY Torrence Chapel Rd. (STREET OR COUNTY ROAD)

SUBDIVISION LOT NO 1 BLOCK NO. C

PLOT PLAN

This is to certify that a soil investigation and on-site investigation was made by the Mecklenburg County Department of Environmental Health on the lot described above. The said investigation was conducted on that portion of the lot as indicated on the above plot. PROVISIONALLY SUITABLE The said lot is approved for the installation of an individual septic tank wastewater treatment system with subsurface, soil absorption effluent discharge subject to the following terms and conditions:

1. A permit to install a septic tank system and the permit to occupy the building must be obtained from the Mecklenburg County Department of Environmental Health prior to the beginning of any construction of the building and the wastewater treatment system on the said lot.
2. The size of the septic tank and absorption system which may be installed will be determined by the Mecklenburg County Department of Environmental Health prior to the issuance of the permit by the soil conditions shown above and on the size and type of building to be located thereon.
3. This approval is valid only if the system is installed in the immediate area indicated as acceptable for system installation on the above plot.
4. This approval is based on the findings of the soil scientist who performed the investigation on the lot which is the subject of this approval. The Department assumes no responsibility for the area designated as acceptable for system installation unless the lot is developed in accordance with the recommendations of the soil scientist.

This approval is granted based on the laws of the State of North Carolina and the rules and regulations of the North Carolina Department of Human Resources, Division of Health Services and the Mecklenburg County Health Commission which were in effect on the date of issuance and is void if at any time in the future, prior to completion of the system, these laws, rules and regulations are changed such that this approval would not have been granted had the new or revised laws, rules, and regulations been in effect on the issue date.
