PLOT PLAN

This is to certify that a soil investigation and on-site investigation was made by the Mecklenburg County Department of Environmental Health on the lot described above. The soil investigation was conducted on that portion of the lot as indicated on the above plot. The permeability rate determined by the investigation was **Provisionally Suitable**. The said lot is approved for the installation of an individual septic tank wastewater treatment system with subsurface, soil absorption effluent discharge subject to the following terms and conditions:

1. A permit to install, construct, alter, or repair the [illegible] system shall be obtained from the Mecklenburg County Department of Environmental Health prior to the [illegible] of any building [illegible] the wastewater treatment system on the said lot.
2. The size of the septic tank and wastewater treatment system which must be installed will be determined by the Mecklenburg County Department of Environmental Health [illegible] on the permeability rate obtained above, and on the size and type of building [illegible].
3. This approval is applicable only to that system [illegible] in the immediate area indicated as acceptable for system installation on the above plot.
4. This approval is [illegible] pending [illegible] the drilling of a well is performed on the lot which, in the opinion of the Mecklenburg County Department of Environmental Health, [illegible] the area indicated as acceptable for system installation [illegible] suitable [illegible] and location of such a system.

This approval is granted based on the laws of the State of North Carolina and the rules and regulations of the North Carolina Department of Human Resources, Division of Health Services and the Mecklenburg County Health Commission which were in effect on the date of issuance and is void if at any time in the future, prior to completion of the system, these laws, rules and regulations are changed such that this approval would not have been granted had the new or revised laws, rules, and regulations been in effect on the issue date.
