PLOT PLAN

This is to certify that a soil investigation and on site investigation was made by the Mecklenburg County Department of Environmental Health on the lot described above. The soil investigation was conducted on that portion of the lot as indicated on the above plot. PROVISIONALLY SUITABLE
The permeability rate determined by the investigation was The said lot is approved for the installation of an individual septic tank wastewater treatment system with subsurface soil absorption effluent discharge subject to the following terms and conditions

1. A permit to install an individual septic tank system shall be obtained from the Mecklenburg County Department of Environmental Health prior to the beginning of any construction activities on the wastewater treatment system on the said lot
2. The size of the septic tank wastewater treatment system which must be installed will be determined by the Mecklenburg County Department of Environmental Health prior to issuance of the permit based on the permeability rate obtained above and on the size and type of building constructed thereon.
3. This approval is valid only for the system installation on the above plot.
4. This approval is based on soil borings taken on the lot at the time the investigation was performed on the lot which, in the opinion of the Mecklenburg County Department of Environmental Health, are in the area indicated as acceptable for system installation. Any variation in the soil conditions from those found at the time of investigation

This approval is granted subject to the laws of the State of North Carolina and the rules and regulations of the North Carolina Department of Human Resources Division of Health Services and the Mecklenburg County Health Commission which were in effect on the date of issuance and is void if at any time in the future, prior to completion of the system, these laws rules and regulations are changed such that this approval would not have been granted had the new or revised Laws, rules, and regulations been in effect on the issue date.
