PLOT PLAN

This is to certify that a soil investigation and on-site investigation was made by the Mecklenburg County Department of Environmental Health on the lot described above. The said investigation was conducted on that portion of the lot as indicated on the above plot. **provisionally**
The permeability rate determined by the investigation was **suitable**. The said lot is approved for the installation of an individual septic tank wastewater treatment system with subsurface, soil absorption effluent discharge subject to the following terms and conditions:

1. A permit must be obtained after payment of the proper fee from the Mecklenburg County Department of Environmental Health prior to the installation of any part of the wastewater treatment system on the said lot.
2. The size of the septic tank and other treatment units and must be determined by the Mecklenburg County Department of Environmental Health at the time of application for the permit at the rate obtained above, and in accordance with the Laws and Rules governing individual sewage systems.
3. This approval is valid only for the system installed in the immediate area indicated as acceptable for system installation on the above plot.
4. This approval is granted only on the condition that the person applying for the permit has been informed of the results of the investigation performed on the lot which is the subject of this approval and is aware of the areas indicated as acceptable for system installation, unsuitable for location, construction, alteration, and repair of such a system.

This approval is granted based on the laws of the State of North Carolina and the rules and regulations of the North Carolina Department of Human Resources, Division of Health Services and the Mecklenburg County Health Commission which were in effect on the date of issuance and is void if at any time in the future, prior to completion of the system, these laws, rules and regulations are changed such that this approval would not have been granted had the new or revised laws, rules, and regulations been in effect on the issue date.
