PLOT PLAN

This is to certify that a soil investigation and on site investigation was made by the Mecklenburg County Department of Environmental Health on the lot described above. The said investigation was conducted on that portion of the lot as indicated on the above plot **PROVISIONALLY SUITABLE**

The permeability rate determined by the investigation was The said lot is approved for the installation of an individual septic tank wastewater treatment system with subsurface, soil absorption effluent discharge subject to the following terms and conditions

1. A permit to install and construct the proposed system shall be issued from the Mecklenburg County Department of Environmental Health prior to the beginning of any construction of the building or of the wastewater treatment system on the said lot.
2. The size of the septic tank wastewater treatment system which might be installed will be determined by the Mecklenburg County Department of Environmental Health according to the permeability rate obtained above and on the size and type of building to be served there.
3. This approval is valid only for the system as described in the information and plot plan submitted for system installation on the above plot.
4. This approval is based upon the findings of the soil and site investigation performed on the date which is the date of the Mecklenburg County Department of Environmental Health considers the area indicated as acceptable for system installation suitable for installation, construction, alteration, repair of such a system.

This approval is granted based on the laws of the State of North Carolina and the rules and regulations of the North Carolina Department of Human Resources, Division of Health Services and the Mecklenburg County Health Commission which were in effect on the date of issuance and is void if at any time in the future, prior to completion of the system, those laws, rules and regulations are changed such that this approval would not have been granted had the new or revised laws, rules, and regulations been in effect on the issue date.
