Dear Ms. Cochrane:

Your requested us to look at seven (7) lots on Simpson Road. We were unable to complete a report on those lots because they were not marked. We have been unable to contact you by phone. If you still want a soil report made on these lots, please have them marked so we can find the separate lots and the back and front corners. Your application will be held in our inactive files until we hear from you

Sincerely,

Willard B. Ramsey
Soil Scientist
