LOCATION OF LOT McCord Road
STREET OR COUNTY ROAD

SUBDIVISION _____ LOT NO _____ BLOCK NO _____

MAP BOOK NO _____ PAGE NO _____

The above specified lot is approved by the Mecklenburg County Health Department for the installation of an individual septic tank system with subsurface soil absorption effluent discharge based on the percolation test results which indicated a percolation rate of * and an private inspection of the said lot, and upon the information supplied by the "Application for an Installation, Construction, Alteration, and/or Repair Permit" number 5507. This approval is subject to the following terms and conditions:

1. That the nitrification field be installed, constructed, altered, and or repaired in the same area where the percolation test was run.
2. That an "Installation, Construction, Alteration, and/or Repair Permit" be issued and in full force and effect when the system is installed, constructed, altered, and/or repaired and that the system be installed in accordance with same.

This approval may be revoked and the building inspection department requested to revoke any building permit or which have been issued to authorize construction on the said lot if at any time it is determined that any information contained in the "Application for an Installation, Construction, Alteration, and/or Repair Permit" is not correct or is untrue or that the septic tank system not being installed, constructed, altered and/or repaired in accordance with a valid Installation, Construction, Alteration, and or Repair Permit.

* May use present system.
