Dear Mr. & Mrs. Smith:

At your request, an investigation was made of the septic tank system on the property located at 7916 Harrisburg Road, Charlotte , North Carolina on January 15, 1991.

At the time of the investigation a pipe for the washing machine was found which discharges wastewater directly to the surface of the ground.

This is a violation of Article 11 of Chapter 130A of the General Statutes of the State of North Carolina and the regulations as adopted by the Mecklenburg County Board of Commissioners.

An application to repair is enclosed for your convenience. You must fill out the application to repair and contact me to arrange an appointment immediately. I can be reached at 376-4603 between 4:00-5:00 p.m.

Sincerely,

Judy J. Kiser R.S.
