LOCATION OF LOT Davis Drive, Lot 12, East Providence Estates

As determined under the Rules and Regulations promulgated by the Commission for Health Services, Division of Health Services, North Carolina Department of Human Resources, Raleigh, North Carolina, the soils on the lot described above were found to be unsuitable for the installation of an individual septic tank - soil absorption system, due to the following reason:

Limited area for the installation of ground absorption sewage disposal system in accordance with N.C. Dept. of Human Resources specifications.

Please submit plot plans of proposed residance and system location.
