NAME OF OWNER Longworth, Martha C.

LOCATION OF PROPERTY Waldon Road

The system shall meet all of the construction requirements as set forth in the Regulations of the Mecklenburg County Health Commission which are in effect on the date of the granting of this permit. A certificate of approval must be issued by the Environmental Health Director before any system can be covered up or otherwise rendered uninspectable or can be used. The issuance of this permit does not in any way guarantee that the system anticipated to be constructed will operate properly, or relieve any person now or hereafter owning, controlling or using such system from any liability resulting from the failure of the system to operate properly.

Install a 9'wide x 42'long x 17"of stone washing machine drainfield

Comments: Grade to drain all surface water when completed.

CERTIFICATE OF APPROVAL

(Individual Septic Tank System with Subsurface, Soil Absorption, Effluent Discharge)

Name of Owner Longworth (LAST), Martha (FIRST) C. (MIDDLE)

Location of Property Waldon Road

Application Number 19527 Permit Number 19527

Inspection Data:

Liquid Capacity of Tank — Tank Material —

Total Length of Drain Tile 125' Number of Lines 3

Depth of Filter Material 17" Cover Depth 2'

Water Supply Source well Distance from Water Source 60'

Excavation Inspected 4-8-83 (DATE) Tank Inspected — (DATE)

Nitrification Field Inspected — (DATE)

Washing Machine Line Inspected, If Applicable 4-11-83 (DATE)

The undersigned has inspected the Individual Septic Tank System with subsurface, soil absorption, effluent discharge as described above and it has been installed or constructed, altered or repaired in accordance with the permit issued and the regulations of the Mecklenburg County Health Commission in effect on the date of issuance of the permit. The issuance of this Certificate of Approval does not in any way guarantee that the system will operate properly or relieve any person now or hereafter owning, controlling, or using such system from any liability resulting from the failure of the system to operate properly. This Certificate of Approval is issued subject to those restrictions and conditions shown on the permit(s) in addition to those listed below under comments. This Certificate of Approval shall be null and void if any information contained in the application is untrue or if any additions are made to the property which would increase the requirements for said system

Comments Grade the area on and around the washing machine drainfield and the septic tank system to drain all surface water, in order to prevent future problems. Plumbing connection should be tied into the distribution box.
