PLOT PLAN

This report is the result of a soil investigation and onsite investigation was made by the Mecklenburg County Department of Environmental Health on the lot designated above. The soil investigation was conducted to determine the limitations for the above plot. **Provisionally**

The permeability rate determined by the investigation was **Suitable** The said lot is approved for the installation of an individual septic tank wastewater treatment system with subsurface, soil absorption effluent discharge subject to the following terms and conditions:

1. A complete plan of the system to include the plot plan, shall be submitted to the Mecklenburg County Department of Environmental Health prior to the beginning of any construction of building sewer or the wastewater treatment system on the lot.
2. The size of the septic tank and the treatment system which must be installed will be determined by the Mecklenburg County Department of Environmental Health prior to installation based on the permeability rate obtained above, and on the size of the structure to be built thereon.
3. This approval and the type system installed on the immediate area indicated is acceptable for system installation on the above plot.
4. This approval is void if the system is not installed in accordance with the soil investigation performed on the lot which is the subject of this report by the Mecklenburg County Department of Environmental Health and found to be acceptable for system installation or if any deviation is made from the plot plan submitted and approved prior to the installation of the system.

This approval is granted based on the laws of the State of North Carolina and the rules and regulations of the North Carolina Department of Human Resources, Division of Health Services and the Mecklenburg County Health Commission which were in effect on the date of issuance and is void if at any time in the future, prior to completion of the system, these laws, rules and regulations are changed such that this approval would not have been granted had the new or revised laws, rules and regulations been in effect on the issue date.

ADDRESS OF OWNER 1420 Montford Drive, Charlotte, NC ZIP _____

LOCATION OF LOT McCoy Road (STREET OR COUNTY ROAD)

SUBDIVISION _____ LOT NO. 21 BLOCK NO. _____

MAP BOOK NO. _____ PAGE NO. _____

The above specified lot is approved by the Mecklenburg County Department of Environmental Health for the installation of an individual septic tank system with subsurface, soil absorption, effluent discharge based on the soil investigation, on an on-site inspection of the said lot; and upon the information supplied in the "Application for an Installation, Construction, Alteration, and/or Repair Permit", number 12910. This approval is subject to the following terms and conditions:

1. That the nitrification field be installed, constructed, altered and/or repaired in the same area where the soil investigation was run.
2. That an "Installation, Construction, Alteration, and/or Repair Permit" be issued and in full force and effect when the system is installed, constructed, altred, and/or repaired and that the system be installed in accordance with same

This approval may be revoked and the building inspection department requested to revoke any building permit(s) which have been issued to authorize construction on the said lot if at any time it is determined that any information contained in the "Application for an Installation, Construction, Alteration, and/or Repair Permit" is not correct or is untrue or that the septic-tank system is not being installed, constructed altered and/or repaired in accordance with a valid Installation, Construction, Alteration, and/or Repair Permit
