Re: Property located at Blair Road, Lot 7, SIR 21436, TC PO 137-132-05

Dear Sir:

At your request a soils investigation was conducted on the property designated above. Results of this investigation showed the site to be classified as unsuitable under criteria as set forth in Section .1900 of the North Carolina Administrative Code, Title 10, Department of Human Resources, Chapter 10, Division of Health Services; Sanitary Engineering Section, Subchapter 10A, Sanitation.

The soil on this property is not suitable for use with any conventional system, modified or alternative, with which I am aware.

If I can be of assistence, please feel free to call.

Sincerely,

Bill D. Hardister, Jr.
Environmental Health Supervisor

Dear Mr. Kemper:

Adding half of lot 7 to lot 6 and half to lot 8 does not change the classification of lot 6 and 8 since lot 7 does not have provisionally suitable soils.

If you have any questions concerning this matter, please contact me at 376-4603.

Sincerely,
