The system shall meet all of the construction requirements as set forth in the Regulations of the Mecklenburg County Health Commission which are in effect on the date of the granting of this permit. A certificate of approval must be issued by the Environmental Health Director before any system can be covered up or otherwise rendered uninspectable or can be used. The issuance of this permit does not in any way guarantee that the system anticipated to be constructed will operate properly, or relieve any person now or hereafter owning, controlling or using such system from any liability resulting from the failure of the system to operate properly.

Comments: check sanitary tee + line to existing drainfield — then, if needed, run a schedule 40 PVC pipe under driveway to two trenches - 3' wide × 34' long × 51" of stone connect the washing machine line into the trenches & existing drainfield.
