Dear Mr. Barefoot:

File 3989A, 3990A, 3991A, 3992A, 3993A

Our office has an application for a soil investigation dated September 29, 1987. The investigation was not made because of problems encountered in locating the lot, specifically, lines and corners. Should you desire us to complete the soils investigation, you should contact us at 376-4603 by September 16,1988 or your application will be placed under the "inactive" file. It will be necessary for the lot lines and corners to be plainly marked. Please contact us if you have any questions.

Sincerely,

W. B. Ramsey
