LOCATION OF PROPERTY [illegible]

SUBDIVISION W. I. Thoma[illegible] LOT NO [illegible] BLOCK NO B

[illegible] the Mecklenburg County Health Department [illegible] in that portion of the lot as indicated on the above sketch. This permit is issued for the installation of a subsurface sewage disposal system for discharge subject to the following terms:

1. A permit must be obtained from the Mecklenburg County Health Department before any construction of the sewage disposal system or the addition of any plumbing is committed to the Health Department.
2. The size of the septic tank and the area of the absorption field must be in accordance with the size and type of building to be constructed thereon.
3. This approval is for the site on which the test was run.
4. In the event any grading is performed on the lot which changes the original conditions existing at the time the percolation test was performed, the lot may become unsuitable for the installation of a subsurface sewage disposal system.

This approval is granted subject to the conditions of the Mecklenburg County Code and the rules and regulations of the North Carolina State Board of Health which were in effect on the date of issuance and which pertain to the completion of the system, these laws, rules, and regulations being such that this approval would not have been granted had the new or revised laws, rules and regulations been in effect on the issue date.
