PLOT PLAN

This is to certify that a soil investigation and a site investigation was made by the Mecklenburg County Department of Environmental Health on the lot described above. The said investigation was conducted on that portion of the lot as indicated on the above plot PROVISIONALLY SUITABLE

The permeability rate determined by the investigation was The said lot is approved for the installation of an individual septic tank wastewater treatment system with subsurface soil absorption effluent discharge subject to the following terms and conditions:

1. A permit to install, construct, alter or repair the proposed system shall be obtained from the Mecklenburg County Department of Environmental Health prior to the beginning of any construction of the proposed wastewater treatment system on the said lot.
2. The size of the septic tank wastewater treatment system which may be installed shall be determined by the Mecklenburg County Department of Environmental Health prior to the installation based on the permeability rate determined above and on the size and type of building to be constructed thereon.
3. This approval is valid only when used in conjunction with the individual wastewater treatment system installation as indicated on the above plot.
4. This approval is void at any time if there is a change in the property, such as well, basement or the like which in the opinion of the Mecklenburg County Department of Environmental Health renders the area indicated as acceptable for system installation unacceptable for installation, construction, alteration or repair of such a system.

This approval is granted based on the laws of the State of North Carolina and the rules and regulations of the North Carolina Department of Human Resources Division of Health Services and the Mecklenburg County Health Commission which were in effect on the date of issuance and is void if at any time in the future, prior to completion of the system, these laws rules and regulations are changed such that this approval would not have been granted had the new or revised laws, rules, and regulations been in effect on the issue date.
