PLOT PLAN

This is to certify, that a soil investigation and on-site investigation was made by the Mecklenburg County Department of Environmental Health on the lot described above. The said investigation was conducted on that portion of the lot as indicated on the above plat.

The permeability rate determined by the investigation was **Provisionally Suitable** The said lot is approved for the installation of an individual septic tank wastewater treatment system with subsurface, soil absorption effluent discharge subject to the following terms and conditions:

1. [illegible] the Mecklenburg County Department [illegible] wastewater treatment [illegible]
2. [illegible] determined by the Mecklenburg [illegible] above and [illegible]
3. [illegible] acceptable for system installation [illegible]
4. [illegible] performed on the lot which is [illegible] Mecklenburg County Health Department [illegible] the area indicated as acceptable [illegible] system [illegible] for future alterations [illegible] such a system.

This approval is granted based on the laws of the State of North Carolina and the rules and regulations of the North Carolina Department of Human Resources, Division of Health Services and the Mecklenburg County Health Commission which were in effect on the date of issuance and is void if at any time in the future, prior to completion of the system, these laws, rules and regulations are changed such that this approval would not have been granted had the new or revised laws, rules, and regulations been in effect on the issue date.
