LOCATION OF LOT Baxley Lane, Lot 11, Block 1

As determined under the Rules and Regulations promulgated by the Commission for Health Services, Division of Health Services, North Carolina Department of Human Resources, Raleigh, North Carolina, the soils on the lot described above were found to be unsuitable for the installation of an individual septic tank - soil absorption system, due to the following reason:

Limited area of provisionally suitable soils.

Please submit plot plans indicating the location of the proposed residence, well and septic tank system.

John R. Adkisson
