The system shall meet all requirements of the Regulations of the Mecklenburg County Health Commission governing the granting of this permit. A certificate of approval must be issued by the Environmental Health Division before the system can be covered up or put in use. If rendered unserviceable for any reason, this system must be repaired or replaced by the owner. This permit does not guarantee that the system will operate properly. The owner shall be responsible for maintaining the system and keeping it in proper working order. Failure to do so may result in the issuance of a notice of violation and/or a trailing or stopping order.
