Re: Application for improvement permit for
Property Site: 2348 Sam Newell Rd, Matthews, NC
Health Department file number: **6334B**

Dear Property Owner or Owner's Agent:

The Mecklenburg County Health Department, Environmental Health Division on Febuary 23, 2006 evaluated the above-referenced property at the site designated on the site plan that accompanied your improvement permit application. According to your application the site is to serve a 3, with a daily design flow of 360 gallons per day. The evaluation was done in accordance with the laws and rules governing wastewater systems in North Carolina General Statute 130A-333 and related statutes and Title 15A, Subchapter 18A, of the North Carolina Administrative Code, Rule .1900 and related rules.

Based on the criteria set out in Title 15A, Subchapter 18A, of the North Carolina Administrative Code, Rules .1940 through .1948, the evaluation indicated that the site is **UNSUITABLE for** a ground absorption sewage system. Therefore, your request for an improvement permit is **DENIED.** A copy of the site evaluation is enclosed. The site is unsuitable based on the following:

- ☐ Unsuitable soil topography and/or landscape position (Rule .1940)
- ☐ Unsuitable soil characteristics (structure or clay mineralogy) (Rule .1941)
- ☒ Unsuitable soil wetness condition (Rule .1942)
- ☒ Unsuitable soil depth (Rule .1943)
- ☐ Presence of restrictive horizon (Rule .1944)
- ☒ Insufficient space for septic system and repair area (Rule .1945)
- ☐ Unsuitable for meeting required setbacks (Rule .1950)
- ☐ Other (Rule .1946)

These severe soil or site limitations could cause premature system failure, leading to the discharge of untreated sewage on the ground surface, into surface waters, directly to ground water or inside your structure.

The site evaluation included consideration of possible site modifications, and modified, innovative or alternative systems. However, the Health Department has determined that none of the above options will overcome the severe conditions on this site. A possible option might be a system designed to dispose of sewage to another area of suitable soil or off-site to additional property.

For the reasons set out above, the property is currently classified **UNSUITABLE,** and an improvement permit shall not be issued for this site in accordance with Rule .1948 (c).

However, the site classified as **UNSUITABLE** may be classified as **PROVISIONALLY SUITABLE** if written documentation is provided that meets the requirements of Rule .1948(d). A copy of this rule is enclosed. You may hire a consultant to assist you if you wish to try to develop a plan under which your site could be reclassified as **PROVISIONALLY SUITABLE.**

You have a right to an informal review of this decision. You may request an informal review by the soil scientist or environmental health supervisor at the local health department. You may also request an informal review by the
N. C. Department of Environment and Natural Resources regional soil specialist. A request for informal review must be made in writing to the local health department.

You also have a right to a formal appeal of this decision. To pursue a formal appeal, you must file a petition for a contested case hearing with the Office of Administrative Hearings, 6714 Mail Center, Raleigh, NC 27699-6714. To get a copy of a petition form, you may write the Office of Administrative Hearings or call the office at (919) 733-0926 or from the OAH web site at www.oah.state.nc.us/form.htm. The petition for a contested case hearing must be filed in accordance with the provision of North Carolina General Statutes 130A-24 and 150B-23 and all other applicable provisions of Chapter 150B. N. C. General Statue 130A-335(g) provides that your hearing would be held in the county where your property is located.

Please note: If you wish to pursue a formal appeal, you must file the petition form with the Office of Administrative Hearings **WITHIN 30 DAYS OF THE DATE OF THIS LETTER.** The date of this letter is March 30, 2006. Meeting the 30-day deadline is critical to your right to a formal appeal. Beginning a formal appeal within 30 days will not interfere with any informal review that you might request. Do not wait for the outcome of any informal review if you wish to file a formal appeal.

If you file a petition for a contested case hearing with the Office of Administrative Hearings, you are required by law (N.C. General Statute 150B-23) to send a copy of your petition to the North Carolina Department of Environment and Natural Resources. Send the copy to: Office of General Counsel, N. C. Department of Environment and Natural Resources, 1601 Mail Service Center, Raleigh, NC. 27699-1601. Do **NOT** send the copy of the petition to your local health department. Sending a copy of your petition to the local health department will **NOT** satisfy the legal requirement in N.C. General Statute 150B-23 that you send a copy to the Office of General Counsel, NCDENR.

You may call or write the local health department if you need any additional information or assistance.

Sincerely,

Philo S. Walker RS

so long as they represent you. But **until you make this agreement with your buyer's agent, you should avoid telling the agent anything you would *not* want a seller to know.**

Unwritten Agreements: To make sure that you and the real estate firm have a clear understanding of what your relationship will be and what the firm will do for you, you may want to have a written agreement. However, some firms may be willing to represent and assist you for a time as a *buyer's agent* without a written agreement. But if you decide to make an offer to purchase a particular property the agent must obtain a written agency agreement. If you do not sign it, the agent can no longer represent and assist you and is no longer required to keep information about you confidential. Furthermore, if you later purchase the property through an agent with another firm, the agent who first showed you the property may seek compensation from the other firm.

Be sure to read and understand any agency agreement before you sign it.

Services and Compensation: Whether you have a written or unwritten agreement, a *buyer's agent* will perform a number of services for you. These may include helping you • find a suitable property • arrange financing • learn more about the property and • otherwise promote your best interests. If you have a **written** agency agreement, the agent can also help you prepare and submit a written offer to the seller.

A *buyer's agent* can be compensated in different ways. For example, you can pay the agent out of your own pocket. Or the agent may seek compensation from the seller or listing agent first, but require you to pay if the listing agent refuses. Whatever the case, be sure your compensation arrangement with your *buyer's agent* is spelled out in a buyer agency agreement before you make an offer to purchase property and that you carefully read and understand the compensation provision.

Dual Agent

You may permit an agent or firm to represent you **and** the seller at the same time. This "dual agency relationship" is most likely to happen if you become interested in a property listed with your *buyer's agent* or the agent's firm. If this occurs and you have not already agreed to a dual agency relationship in your (written or oral) buyer agency agreement, your *buyer's agent* will ask you to sign a separate agreement or document permitting him or her to act as agent for both you and the seller. It may be difficult for a *dual agent* to advance the interests of both the buyer and seller. Nevertheless, a *dual agent* must treat buyers and sellers fairly and equally. Although the *dual agent* owes them the same duties, buyers and sellers can prohibit *dual agents* from divulging **certain** confidential information about them to the other party.

Some firms also offer a form of dual agency called "designated agency" where one agent in the firm represents the seller and another agent represents the buyer. This option (when available) may allow each "designated agent" to more fully represent each party.

If you choose the "dual agency" option, remember that since a *dual agent's* loyalty is divided between parties with competing interests, it is especially important that you have a clear understanding of • what your relationship is with the *dual agent* and • what the agent will be doing for you in the transaction. This can best be accomplished by putting the agreement in writing at the earliest possible time.

Seller's Agent Working With a Buyer

If the real estate agent or firm that you contact does not offer *buyer agency* or you do not want them to act as your *buyer agent* , you can still work with the firm and its agents. However, they will be acting as the *seller's agent* (or "subagent"). The agent can still help you find and purchase property and provide many of the same services as a *buyer's agent* . The agent must be fair with you and provide you with any "material facts" (such as a leaky roof) about properties.

But remember, the agent represents the seller - *not* you - and therefore must try to obtain for the seller the best possible price and terms for the seller's property. Furthermore, a *seller's agent* is required to give the seller any information about you (even personal, financial or confidential information) that would help the seller in the sale of his or her property. Agents must tell you *in writing* if they are *sellers agents* before you say anything that can help the seller. But **until you are sure that an agent is not a seller's agent, you should avoid saying anything you do not want a seller to know.**

Sellers' agents are compensated by the sellers.
