Hi Loretta,

Thank you for sending me the documents needed.
This is the first time I am helping somebody with the purchase of a lot and your help would be greatly appreciated. I was asked by the buyer and the seller to send in this application. The buyer is trying to find out if the lot can have a septic system put in when he decides to built a house on it. The buyer will be paying for the inspection.
I am attaching the application. Please let me know if we need anything else.
