EPIC Rept. for ARGU Review
15523 Jetton Rd., Cornelius, NC 28031
PID# 001-331-62
File # 6830B

Public water supplied by CMUD is currently available at this site.

10/06/06 (Fri.)-Received request for ARGU review for private well abandonment for a WSW located at 15523 Jetton Rd., Cornelius, PID#001-331-62. According to the WIS, there is an existing well at this property, but only bacteria sample results were available through the Health Dept. files.

10/09/06 (Mon.) - Conducted ARGU Review. Identified one contamination site within 2,000' of the subject parcel.

Former MPL Dossin, Chris Residence
15911 Jetton Rd., Cornelius
PID# 001-331-52
No NCDENR UST Section Inc. #

File Review of former MPL:

EPIC currently indicates that this site was removed from the MPL list on 10/10/05 because there was no reason for it to remain as an MPL following NCDENR sampling in response to a complaint in 2002. Request made to remove from WIS as contamination incident.

The subject site is within the 1,000' ARGU buffer from this site.

Based on review of the former Dossin, Chris Residence MPL, this incident has been removed the MPL list, leaving the status as a GW site. The permit for a well abandonment PID# 001-331-62 is therefore approved and the well would no longer be inside a 1,000' ARGU buffer, so it will only require installation under the Mecklenburg Co. Groundwater Regulations dated Oct. 5, 2004 with no other special conditions.

End.
