PLOT PLAN

This is to certify that a soil investigation and onsite investigation was made by the Mecklenburg County Department of Environmental Health on the lot described above. The soil investigation was conducted on that portion of the lot as indicated on the above plot. PROVISIONALLY SUITABLE

The permeability rate determined by the investigator was The said lot is approved for the installation of an individual septic tank wastewater treatment system with subsurface, soil absorption effluent discharge subject to the following terms and conditions:

1. A permit to install an individual sewage treatment system on the lot described above may be obtained from the Mecklenburg County Department of Environmental Health prior to construction of the wastewater treatment system on the said lot.
2. The size of the septic tank, wastewater treatment system and the area of the soil absorption field shall be determined by the Mecklenburg County Department of Environmental Health in accordance with the permeability rate obtained above and on the size and type of building proposed to be served.
3. The approval granted by this system is related to the soil and site characteristics acceptable for system installation on the above plot.
4. The approval granted by this system is related to the soil and site characteristics as determined at the time of which in the opinion of the Mecklenburg County Department of Environmental Health the area was rated as acceptable for system installation. Subsequent changes to the site may affect the system and render it unsuitable.

This approval is granted based on the laws of the State of North Carolina and the rules and regulations of the North Carolina Department of Human Resources, Division of Health Services and the Mecklenburg County Health Commission which were in effect on the date of issuance and is void if at any time in the future, prior to completion of the system, these laws, rules and regulations are changed such that this approval would not have been granted had the new or revised laws, rules and regulations been in effect on the issue date.
