PLOT OF SYSTEM

NAME OF OWNER Efird Maynor

LOCATION OF PROPERTY 132 Morningwood

This system must meet all construction requirements as set forth in the Regulations of the Mecklenburg County Board of Health in effect on the date of the granting of this permit. A certificate of approval must be issued by the Health Director before any system can be covered up or otherwise rendered inaccessible. **The issuance of this permit does not in any way guarantee that the system anticipated to be constructed will operate properly, or relieve any person now or hereafter owning, controlling or using such system from any liability resulting from the failure of the system to operate properly.**

Comments:

Division Head or Authorized Representative

Environmentalist Steve Wood

* If this permit is for the installation or construction of a new system, it must be signed by the division or a section head of the Department of Environmental Health in order to be valid. Only the signature of the Environmentalist is required where an existing system is being altered or repaired.
