PLOT PLAN

This is to certify that a soil investigation of the above property was made by the Mecklenburg County Department of Environmental Health on the above date and that the investigation was conducted on that date in accordance with the attached rules and regulations.

Provisionally Suitable

The permitted installation determined by this investigation for the said lot is approved for the installation of an individual sewage disposal system with subsurface soil absorption for sewage discharge subject to the following requirements:

1. A ... Mecklenburg County Department of Environmental Health ... wastewater treatment system ...
2. ... the Mecklenburg County Department of Environmental Health ...
3. ... system installed ...
4. ... permit ... acceptable for ... system.

This approval is given solely for the type installation requested. Current and future rules and regulations of the North Carolina Department of Human Resources and the Mecklenburg County Health Commission governing sewage treatment and disposal systems will be complied with at any time in the future prior to construction of the system. If these rules and regulations are changed such that this approval would not have been granted had the new revised rules and regulations been in effect on the issue date.
